

# A. Hilleron

## Paris

1884 band instruments by A. Hilleron of Paris are shown in the John C. Haynes & Co. catalog of Boston (photos 1&2)

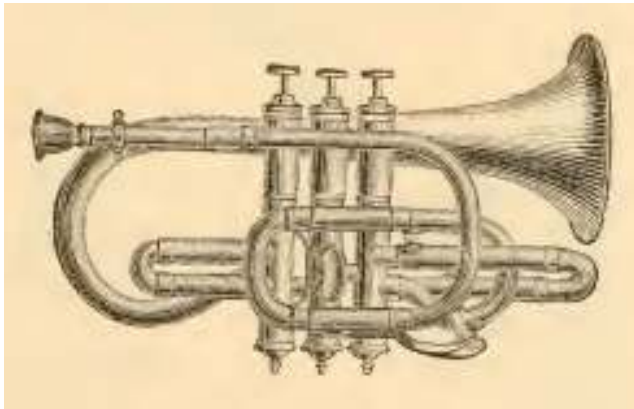

Instruments are found with both one or two "L"s in the spelling.

One baritone is marked "Gorham & Co. / Sole Agent / Worcester Mass" and may pre-date the Haynes agency.

Some inscriptions are hand engraved while others are stamped.

These are possibly stencils from Austria which is very common in this time period. Horn-u-copia.net & auction photos
