- 1914 J. W. Lafferty, advertising agent, 194-1/2 Monroe. (dir)

The two cornets pictured here are rare examples marked, "Grand Rapids Musical Co" and both appear to be stencils of the York & Sons Professional model.

The two photos on the right are the "Wizard" model #20025 and should date to 1909 if the serial number is by York & Sons. Below is the York model.
