

# Vega Super-Tone Trumpets

1921

A few Super-Tone trumpets were made in 1921 which evidently did not sell well. I have only recorded the two examples shown here.

Thanks to Bob Woodruff for these photos and specifications.

17" long, 5" bell, 0.468" bore, Blessing valves

Super-Tone #21146 (Woodruff)

Super-Tone #21160 (Horn-u-copia.net)
